JOB SUMMARY:

New River Pharmaceuticals Inc. (NASDAQ: NRPH) is currently seeking an experienced Accountant with proven success to serve as its Accounting Supervisor – Product Cost.

ESSENTIAL DUTIES AND RESPONSIBILITIES include the following:

- Manage the cost accounting function
- Provide support for product cost related activities
- Serve as the finance and accounting group's primary interface with the manufacturing and research & development groups on issues associated with product cost and inventory accounting.
- Establish, implement and maintain the Company's cost accounting policies and procedures
- Monitor and maintain compliance with Sarbanes Oxley requirements related to cost accounting and inventory
- Additional duties and responsibilities that may be assigned from time to time.

REQUIRED EXPERIENCE

- Minimum of 4 years experience in similar role or in a cost accounting function
- Industry experience in the biotech or pharmaceutical industry is preferred

EDUCATION, CERTIFICATION, LICENSES and/or REGISTRATIONS

- B.A. in finance or accounting is required.
- A CPA license is preferred.

New River Pharmaceuticals Inc. is an equal opportunity employer.
